Sir:

PETITION UNDER 37 C.F.R. § 1.182

Applicant hereby petitions the Commissioner of Patents and Trademarks under 37 C.F.R. § 1.182 to withdraw the response filed November 18, 2001, to the Notice of Incomplete Nonprovisional Application, in its entirety. This response was not necessary or accurate, especially as it relates to the submission of drawings, because the drawings in fact were deposited in the Office on July 6, 2001. The drawings are part of certified German application No. 10033353.2, to which this application claims priority. Accordingly, drawings were present in the application as filed. With this petition, we enclose copies of the drawings (Figures 1 -7) found in the priority application. The Office is requested to associate the copies of the drawings from the German priority document with the above-referenced application and to maintain the original filing date of July 6, 2001.
